

## East Catholic School

### Fundraising Commitment Agreement

September 2016

Dear Parent/Guardians:

As you know, each East Catholic School family has a commitment to raise \$400.00 through the PTG for each school year. This commitment is part of your responsibility as a member of our East Catholic School community and is in lieu of raising the tuition. We need everyone's help to keep funding field trips, school parties, assemblies and other great activities for your children.

We are happy to report that last year we had a significant increase in participation and we look forward to more of the same this year.

The PTG offers many different fundraising options to help families meet their commitment. For example, use the SCRIPS program to do your holiday gift card shopping or purchase cards for your food shopping and earn towards your \$400 goal.

You can also purchase Entertainment Books, Yankee Candle products, candy and magazines to earn credit towards your fundraising commitment. Hosting a table at the Fashion Show and selling/purchasing Gala tickets are also a great way to help support our events and meet your goal at the same time.

Some families choose not to participate in fundraising activities, and those families simply meet their goal by sending the funds directly to the PTG. You can either send a check for the entire amount, or send payments, as long as your goal is met by May 1<sup>st</sup>.

Please complete the form below and return it to East Catholic School PTG so we can plan and keep track of each family's progress.

Even though we had an increase in participation, we still have some families who do not fulfill their obligation. That means we will be enforcing school policy and limiting activities for the children of those families. We all benefit when our children enjoy our PTG-sponsored activities. Please help all of us to continue our programs by participating fully, and return this form by September 23, 2016.
